Thursday is Christmas Lunch Day!

Dear Parents and Carers,

Thank you for the Christmas Fayre

Thank you for your generosity last week. It really helped to make our Christmas Fayre a success. The PTFA made **£1400** which will be used for extra equipment in our new building. It was also a very enjoyable occasion.

Town Carol Service

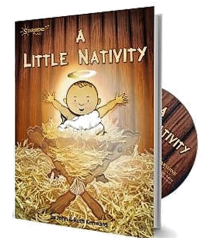

On Sunday 8th December there is a town carol service in St James' Church, East Cowes. If your child is taking part please make sure they are at the Church by 3.45 pm dressed in full school uniform and looking smart! They will be performing the song, "It's Christmas Time."

Christmas Dinner Day

On Thursday 12th December we will be having our Christmas Dinner Day. If you have not booked a Christmas dinner please provide your child with a packed lunch. (Please see menu on page 4)

Reception Show - A Little Nativity

Our Reception classes will be performing their show which is called, "A Little Nativity" on Wednesday 18th December at 9.15 am. It is free to get in, but there will be a donations box. Reception will also be performing their show on Thursday 19th December to the rest of the school. Thank you for all your support getting costumes ready.

Discos!

On Wednesday 18th December there will be two discos run by the PTFA. Years R, 1 and 2 will have their disco from 5 pm – 6 pm. The cost is £1 each.

Years 3, 4, 5 and 6 will have their disco between 6.15 pm and 7.30 pm. The cost is £1 each. All children will need bringing and picking up from the disco.

Please drop the children off at the front door and sign them in and then pick up from the back door of the hall which can be accessed through the carpark. Please note that Reception will be taken back to their classrooms at the end of the disco and parents/carers can pick up from the normal place.

Last Day of Term

The last day of term is Friday 20th December. We will hopefully be heading to St James' Church for our carol service. We will walk from school and arrive there at about 9.45 am. You are most welcome to join us although space in the balcony area is limited. The children will need to be in full school uniform.

In the afternoon the children will be off timetable having a party afternoon. The children may change into party clothes for this if they would like to. It will be normal 3pm pick-up.

What's for dinner next week?

(Remember all Reception, Year 1 and Year 2 children are entitled to Free School dinners.)

On Tuesday morning the **Year 4** Out and About group were asked to set up the school Christmas tree at Brighstone Christmas Tree Festival. The children enjoyed setting up the tree and admiring the others on display at the various locations around Brighstone. The decorations on our Queensgate tree were made by Year 3 led by Mrs Stagg, who designed them and came in especially to help. The tree will be on display until Monday 9th December in the Reading Room/ Social Club in Brighstone.

It is a free annual event and well worth visiting this weekend!

Children from **6LR** navigated their way around Firestone Copse, leading Mrs Piner and myself (Mrs Johnson) to selected orienteering posts. They demonstrated great teamwork and problem solving as they supported each other across streams and through muddy tracks. The children used their maps and compasses to decide how best to get to the next orienteering marker. We translated our compass directions into bearings when talking about our direction of travel.

On Wednesday morning, **Year 3** walked up to the Longstone at Mottistone. It was a beautiful, sunny morning and the children loved hiking up the hill to the 6,000 year old Neolithic burial ground. We recapped what they had learnt during their topic on the Stone Age and how people would have lived.

The children used charcoal and chalk to sketch the stones and surrounding countryside. They enjoyed a hot chocolate to warm up before racing each other back down the hill through the woodland.

In **Year 2** the children have been learning about the history of aviation. During Out and About this week Neil and Paul gave the group a tour of the Air Traffic Control office and aircraft hangar at Bembridge Airport. We listened to radio communications whilst we were in the office and watched some planes take off and land. The children were able to look closely at the different private planes in the hangar and even got to have a go using the controls in one. We talked about the different designs of

the planes; how many seats they had, where their wings were mounted and where they were built. The children were very excited and eager to ask lots of questions.

QUEENSGATE SPORT ROUNDUP

Just the one match this week.

Under Nine Girls

The team returned to Niton for a correctly aged football match. Niton took the lead in the first half kicking down the slope. The second half was much better from Queensgate as the team quickly equalised at 1-1 before scoring twice more to secure a good 3-1 win. The team is now top of their section following two successive wins.

There is just one more football match this term – Year 4 playing at Holy Cross on Tuesday.

Please can anyone who has played for any of the five teams this term (U-11 Boys, U-11 Girls, Year 5, Year 4 and U-9 Girls), return their kit (shirts, socks etc) by the end of next week so we can keep all the kit up together.

Thank you.

Advance Warning

As we prepare to move into our new building we are reviewing many of our systems. Currently we have space to hold school uniform on site. As from January 1st 2020 we will no longer have any uniform on site. You will be able to purchase it on line through Big Wight T-shirt (www.bigwight.com) or at The Big Wight T-shirt shop, which is situated on Dodnor Industrial Estate, Daish Way, Newport.

If you need uniform come and see us before Christmas!

Focus Learner Procedures

When your child is a focus learner you are entitled to come in to school and work with your child for ONE session only (this is to minimise disruption to classes). You may join them for lunch too if you wish, but will not be allowed to go outside at lunch time break. Please ensure that you arrange, in advance, with your child's class teacher a convenient day and time. Please also remember to complete an evaluation sheet after your visit.

Parents in Classrooms

If your child attends an early morning club, please do not enter a classroom that is not occupied by a member of staff. If your child needs to drop anything off they can do so on their own or leave their items on their peg outside of the classroom. Many thanks for your support.

NHS Drink Well Recommendations

We are seeing an increased amount of juice and, in some cases, fizzy drinks in water bottles that children can access during the day. Here are some guidelines from the NHS

The [Eatwell Guide](#) says we should drink 6 to 8 glasses of fluid a day. Water is a healthy and cheap choice for quenching your thirst at any time. It has no calories and contains no sugars that can damage teeth. If you do not like the taste of plain water, try adding a slice of lemon or lime. Fizzy drinks, squashes and juice drinks can contain lots of added sugar and very few nutrients, so keep them to a minimum. **Children should avoid them completely.** Please provide your child with water to drink throughout the day. Thank you.

School Council Visit to the New School

The School Council managed to visit the new build on Monday and had a great time. They were impressed by the size of the classrooms and how the building was looking already. They will be leading the assembly on Monday and talking to the rest of the children about their experience.

Positive Quote

Life doesn't require that we be the best - only that we try our best!

Whole school attendance 96.28%.

Remember that good attendance will help your child to succeed at school.

This week 4LM achieved 98.77% attendance! Well done.

Thank you for your support.

Best wishes,
