

# Aim High!

Dear Families,

## High Expectations

We have one overarching aim this academic year and that is to raise attainment. Although our children make good progress our standards are not yet at national averages. Last year 66% of our Year 1 children achieved the phonics screen, but nationally 80% did.

In Year 6 there is something called a combined measure. (This means the children that achieved their Age-Related Expectations in reading, writing and maths achieve combined) 49% of our Year 6 cohort achieved this, whereas nationally the figure was 59%. We are absolutely committed, as a team, to raise attainment for all children.

In our School Development Plan there are two strands to this work – beliefs and fluency.

Our beliefs as adults can affect children through things we say and the behaviours we exhibit. I would like to invite you to express positive beliefs to your children about what they can achieve both at school and in life in general.

Our fluency strand is working on pace and being able to automatically be able to do tasks. Please join us in supporting the youngest children with their fluency in phonics – this will directly impact their reading. Please hear your child read every day. This will help their fluency in reading. In Reception, Year 1 and Year 2 we have introduced Kinetic letters to help support the children with their fluency in handwriting. If children learn to read and write fluently in the younger years it means they are in a better place when they get into Key Stage 2 to tackle the curriculum with confidence. If you have any questions about aiming high please get in touch.

## Meet Your Teams

One of the ways we can raise attainment is by working closely together. We would like to offer you a chance to come and meet your child's teachers.

## Wight Aid Grant

I am delighted to let you know that Miss Croutear has been successful in securing a grant of £250.00 from Wight Aid to support with the costs of Dance Live.

### Clubs

Clubs are starting next week. I just wanted to let you know that part of the fun at reading club will be to try and get a Blue Peter reading badge. Blue Peter has unveiled a new Book badge, designed by one of the UK's best-known illustrators, Sir Quentin Blake. The Blue Peter Book badge will be awarded to children aged 5-15 who send in their thoughts on a book, draw a character or scene and share which other books and writers they love. Getting kids excited about great books has always been important for Blue Peter and so, as well as launching the new badge, they have teamed up with The Reading Agency and BBC Arts to bring viewers a monthly Book Club jam-packed with fantastic stories. Each month, presenters will showcase a new book and be joined by young readers to talk about the incredible stories, new worlds and fascinating characters they discover. This fits in with our fluency in reading objective very well!

### Focus Learners

If your child is a Focus Learner this half term you should have now received your letter explaining the week that you are welcome to join us in school.

Across this academic year, each child in the school will have the opportunity to be a Focus Learner. This means that they will be given special responsibilities for that week. It also means that you can come in at a mutually agreed time with your child's class teacher to observe and join in with a lesson. When your child is Focus Learner, you are welcome to join us on a Friday for an assembly. If your child is in RBH, 1SM, 2KG, 3PT, 4BM, 5RA or 6TM the assembly will be at 1:10pm. If your child is in RSD, 1CE, 2KA, 3AH, 4MC, 5TS or 6LR the assembly time will be 2:30pm.

Don't forget to collect and complete a quick survey, available from Miss Rorich in the office, to let us know about your experience.

### PTFA AGM

Our Parents Teachers and Friends Association has its AGM on Monday 18<sup>th</sup> September at 2:30pm in the music room. Please, please, please come along if you can. I know that our Chair and Treasurer are both stepping down and the PTFA cannot run without these positions being filled. We also need committee members. Without the PTFA it is difficult for us to run fundraising events.

### Governing Board

Another way to get involved is to become a school governor. We will be including details of our Parent Governor vacancy in next week's newsletter.

## Committees

There are currently two jobs for children to apply for at school. Year 5 children can apply to join our Year 6 team of Anti-Bullying Ambassadors. Application forms have been given out by Mrs Rowsell. We will be interviewing for this role next Monday.

In addition, I spoke to KS2 children about forming an Eco Committee. Application forms are available from the school office or Mrs Tilling. (Please see page 8 for further details)

I will let you know who has been appointed to these jobs after the interviews have taken place.

## News from NHS Solent Trust

I'm writing to inform you that there has been a change in how we contact parents/carers of YrR children with regards to gaining consent for the hearing and vision screening service we offer.

This year we have sent a text with a link for the parents/carers to complete an online form. Once completed, it will come back directly to the school nursing team.

You may have some parents/carers who ask if the text is genuine, please reassure them that it is safe to respond.

By using this new method we hope to cutback on the amount of time spent on administration.

If you have any queries please get in touch.

Kind regards

Debby Brennen

Public Health Nurse Assistant

The School Aged Immunisation Service has been in school for nasal flu vaccinations. If your child missed this and you would like them to receive it the Team will be returning on

**Friday 8<sup>th</sup> December 2023**

Please use the previously sent link or QR code to access the consent form.

There are also community clinics available through until January.

## Out and About

On Tuesday morning the **Year 2** Out and About group visited St Helens beach. The children have been reading the book *The Dot* by Peter Reynolds. We shared the story and discussed how Vashti felt within the story and how she demonstrated a growth mindset, overcoming her dislike and frustration of drawing in art class and developing a passion for art. The Out and About group were challenged to design their own 'dot' creations using stones, shells and found objects on the beach. The children worked well in small groups, listening to one another's ideas. They were all very proud of their creations, some even made frames and signed their names in the sand.

The children in **Year 3** have begun learning about *forces* in Science. The **3PT** Out and About group visited Steyne Park in Bembridge to explore and identify forces when using the play equipment. The children worked together to decide when there was a push or pull force acting upon an object. They wrote down which force was in action and shared their learning with each other. The group all enjoyed playing together in the park and had fun trying out all the different equipment.

As part of the **Year 4's** topic on *Charlie and The Chocolate Factory* the **4MC** Out and About team visited The Sweet Manufactory at the Needles. The children watched a demonstration and learnt how sweets were traditionally made using original tools, techniques and machinery (some nearly 100 years old!). The group were mesmerised as the glucose and sugar mixture were heated to 154°C, slowly cooled, manipulated and gradually transformed into perfect little sweets. They were very excited to take a few freshly made sweets home to share with their families. After learning about how sweets are made, the children walked down to Alum Bay to see the colourful cliffs and the Needles Lighthouse.

## Out and About

Our **Year 1** children have been sharing the story *The Paper Dolls* by Julia Donaldson. This week our **1CE** Out and About children took their own paper doll chain on a special adventure around East Cowes, following a photo trail across the town. The children are learning about their local area so took it in turns to lead the group, along with their paper dolls, to different play parks, shops, monuments and land marks. The children demonstrated a great understanding of where they live and lots were able to confidently explain how to get to the next point on our trail.

## Out and About next week...

# Music Tuition at Queensgate

At Queensgate we are aiming to give as many children as possible the opportunity to learn a musical instrument. This year we are able to offer piano, ukulele and guitar lessons to all children from Year 1 to Year 6.

## Totally Rad Music

Totally Rad Music provide our piano and ukulele lessons at really reasonable rates:

- a) £5 + VAT per week for a 20 min lesson with a maximum of 3 in a group
- b) £9 + VAT per week for a 15 min individual lesson
- c) £12 + VAT per week for a 20 min individual lesson

If you are interested in your child having music lessons with Totally Rad, please sign them up online using this link: [SIGN ME UP](#)

## Wight Music Tuition Service

Guitar lessons are provided by Wight Music Tuition Service and are available for £8 per 20 minute group lesson (maximum of 4 per group).

We have a lovely set of new guitars with carry cases available for free loan to any child taking up these lessons.

To sign your child up for guitar lessons please follow this link:

<https://iwmt.org.uk/apply-online/>

Please do sign up for lessons as soon as possible to make the most of the year. When you do sign up, please also email Mrs Webb to let her know and include your child's name, class and chosen instrument. This helps us to work out timetables. Thank you.

## Sports Report

On Thursday, the Year 6 girl football team had their first couple of games of the season. They played Binstead, Shalfleet and Northwood all in one night. It was a round robin format; the team with the most point from three games going through to the finals. The girls played really well throughout the night, improving in every game. They were unfortunate to come away with two losses and one draw. This was a very good starting point from the girls and they will hope to improve further going into their next few matches.

The results table from the games:

Queensgate 0-0 Northwood

Shalfleet 0-0 Binstead

Queensgate 0-1 Binstead

Shalfleet 0-1 Northwood

Queensgate 0-1 Shalfleet

Northwood 0-3 Binstead

Points table

Binstead 7

Shalfleet 4

Northwood 4

Queensgate 1

## Eco School

Your child may have already spoken to you after their assembly on Monday, but I am writing to you to share some exciting news. This year our school has made the decision to work towards Eco-Schools Green Flag accreditation. Mrs Selle and Mrs Tilling will be our Eco-Coordinator for this fantastic opportunity.

With the world beginning to experience the effects of climate change; different species of plant and animals becoming extinct every day; and micro-plastics being found in the most remote locations on Earth - now is the time to educate future generations about the impact of our actions on the planet we call home.

To enable us to make a positive difference by taking a lead on environmental actions and projects in our school and local community, we are inviting children from Years 3, 4, 5 and 6 to form our first ever Queensgate Eco – School committee and become Eco Warriors.

An Eco-Schools' assessor will look over our school's application and evidence in May 2024, with a view to recognising and celebrating our achievements, when we hope to be awarded with the Green Flag.

Please speak to your child over the weekend about this and if they would like to apply for a place on the Eco – School Committee, please ask them to collect an application form from the office, if they haven't already done so.

**Closing date for applications is 20<sup>th</sup> September.**

You can find out more on the Eco – Schools website here: <https://www.eco-schools.org.uk/>

### **Bikes and Scooters**

We love children riding their bikes and scooters to school. However, for the safety of everyone please ensure that your child gets off and walks when on school grounds. Thank you.

### **Lost Property**

Thank you so much for all your help in labelling jumpers, lunch boxes and water bottles. It has been so successful that by close of play yesterday we only had one jumper and two bottles not returned to their owners. If you haven't labelled your child's belongings please do as it makes a huge difference - remember to include name and class. Here are the items still unclaimed:

### **Play Equipment**

Please can you ensure that your children do not play on the equipment before or after school on the school grounds. Our teachers are having to shout from upstairs windows for children to get down from highly dangerous position on the equipment. Before the children enter the classroom in the mornings and are returned to you at the end of the day, they are your responsibility - Please ensure they are safe by waiting with you. Thank you for your co-operation with this.

### **School Car Park**

Towards the end of last year I asked you to please only park in the car park if you were a registered blue badge holder or had specific permission from the school for safeguarding reasons. Unfortunately, the situation in the car park at the end of the day is still chaotic and dangerous so I have had to make the decision to shut the gates. The gates will now be manned by a member of staff who will have a list of cars allowed in the car park. If the car park is full then even a blue badge will not get you in and you will need to park on the street. I am sorry that I have had to take this course of action but I would rather this than have a serious accident. Please can I remind all pedestrians that you should be walking down designated pathways and not across the car park. We do not tolerate any unacceptable behaviour towards our staff, so any abusive language or physical action towards the staff member carrying out a health and safety role could result in a six month ban from the school site. Please see our Unacceptable Behaviour Policy Including Habitual or Vexatious Complainants on the school website.

### **And Finally... School Council**

We have now appointed our School Council for the year through a democratic process whereby children are voted on to the council through votes from their classmates. Congratulations to: Freddie F, Evelyn D, Joe L, Tyler W, Layla E, Arlo R, Zayn C, Hannah L, Elsie-May K, Rosie J, Alayna E, Lilly H-D.

**Best wishes,**

**Samantha Sillito**

**Headteacher**

# IW Fostering

Island children need local homes

## Fit to Foster?

Many people think that they are either too young or too old to foster. The truth is that you must be at least 21 years of age. There is no upper age limit, as long as you are physically fit and healthy.

If you don't think you are suitable to foster, think again! Foster carers come from a variety of different backgrounds. There are children in care who may need you. Explore fostering with the IW Council.

Dear Parents, Carers and Students,

Congratulations to everyone who completed the Summer Reading Challenge this year. Don't forget that our community library is free to join and access all year round.

On a 0 to 16 years library card there are no charges for late returns. Ordering children's books is also free on this card. You can order books on any subject or by your favourite author by bringing a list into the library or through the online library catalogue at [www.iow.gov.uk/libraries-leisure-and-heritage](http://www.iow.gov.uk/libraries-leisure-and-heritage) When your ordered book arrives in East Cowes we will contact you. (Sadly Adults are charged 60p for this service.)

To access free online library services and apps you will need your borrower number (under your card barcode) and a four digit PIN. You can request a new PIN at any library.

We look forward to seeing you anytime. Good luck and best wishes for the new school year ahead!

Kind regards from library volunteer Angie.

## EAST COWES COMMUNITY LIBRARY
