Lots to Prepare...

Dear Parents and Carers,

Preparing for the Christmas Fair

As we go into Advent next week I thought it would be a good idea to let you know how you can help us to prepare for the Christmas Fair.

From **Monday 5th December**, please could you bring all tombola donations to the training room (mobile by Key Stage 1 playground) at 8.40am. Please could Reception, Year 1, Year 2, Year 3, Year 4 bring in any chocolate items for the chocolate tombola? Please could Years 5 and 6 bring in any other tombola donations for example; food, toiletries, new games or toys. On **Friday 9th December**, please could you send in mince pies and cakes, again to the training room.

The Christmas Fair will be on **Friday 9th December between 2.30pm and 4.30pm**. Children can be picked up from the usual places from 2.30pm on that day. There will be class stalls in the hall. A café with cakes and mince pies in the dining hall, and Santa's grotto will be in the training room with the music room being used as a waiting area. If you or your family are able to help with setting up the fair, running a stall, or tidying up after the fair please let a member of the PTFA or the school office know. A list of suggested jobs is on page 10 of this newsletter.

Local Authority Inspectors in Queensgate

On Thursday 1st December, we will be having our termly visit from the Local Authority Primary Phase Inspector. We will of course let you know how it goes.

Year 4 Egyptian Museum

On **Thursday 8th December**, Year 4 would like to invite you to their Egyptian Museum in the dining room from 2.30pm. Please enter through the main doors at the front of the building.

World Pay Ending

Scopay are changing their online payments provider. We will not be able to take any payments between **28th November and 1st December**. Although World Pay will be no longer used, we have not been informed which company is being used instead. We will give you further details once we have received them.

Out & About

On Tuesday morning the **2KA** Out and About team visited Bembridge Airport to support their topic on the history of flight. They learnt how the air traffic control office is run and were able to track different aircraft in the air. The children used radios to communicate between the groups across the airport. They enjoyed going in one of the hangars to see the monoplanes that are stored there. The children found out about the parts of the plane, how they fly and are steered. They were able to sit in the cockpit of a 1950s wooden plane and move the joystick, lifting the ailerons on the wings and elevator at the rear.

The **3AH** Out and About group went to Brook Bay on Tuesday afternoon to support their Science work on rocks, soils and fossils. The children learnt about the Geology of the Isle of Wight, built up of stratas of sedimentary rocks. They could see that sedimentary rock was permeable, looking at the erosion of the cliffs (made up of red clay and sandstone). The children hunted for Iguanodon foot casts along the beach towards Hanover Point. We discussed how the imprints left on the ground by Iguanodons (over 125 million years ago) created fossil moulds, which then filled with sediment that hardened to create the casts.

On Wednesday morning all of Year 4 walked to Osborne House to help the gardening team plant thousands of daffodil bulbs near the Ice House. The children were all very enthusiastic and meticulously planted 8 bulbs (the right way up) in each pre-cut hole the gardeners had prepared, practising their 8 times tables as they planted. They also had the chance to explore the gardens at Swiss Cottage and learn more about the nine royal princes and princesses.

The **1SG** Out and About children went to Puckpool Park on Wednesday afternoon. They were challenged to help find a lost toy. The children hunted for clues and followed a trail around the old barracks and park. They demonstrated fantastic phonic knowledge as they read clues (they were all very eager to read) and finally found the missing pirate. The children had great fun playing in the park together. They were brilliant climbers, and it was super to see them taking turns and helping each other. Well done 1SG!

The **Out and About Club** went to Carisbrooke Castle after school on Wednesday. The children loved running up and down the moat as we walked around the castle grounds.

Out and About next week...

Please ensure your child is wearing warm, old play clothes (nothing new or special), waterproof coat (pack waterproof trousers too if they have some) and wellies/walking boots/old trainers in a named bag.

French at Queensgate

Coco La pomme

Bonjour!

Je m'appelle Coco et je suis une pomme.

Each week I will share with you a French word

La table (Lah tah-bluh)

Une grande table.
A big table.

Une petite table.
A little table.

Une table en bois.
A wooden table.

Attendance

It is hugely important that the children come to school everyday as the lessons build on from each other. If your child is not well, please remember to call the school when your child is absent (if we haven't heard from you by 9.15am we will contact you). It is important that you follow up this phone call with a written reason for the absence when your child returns to school to

office@queensgateprimary.co.uk

If you would like leave of absence for an alternative reason to illness you must complete a leave of absence form (at least 14 days in advance of absence), these can be found in the school foyer.

Remember that good attendance will help your child to succeed at school.

Whole School Attendance this week is 94.63%

KS1 Class with best attendance this week is 1CE with 96.17%

KS2 Class with best attendance this week is 3PT with 97.41%

Dentist

As you may be aware from news reports, there is a severe lack of NHS Dentists up and down the country no where more so than here on the Island.

At Damira East Cowes we are seeing a rise in child emergency patients, and because of this we have decided to do something about it.

All children should have access to better oral health and the knowledge to go forward knowing they are doing their best for their own oral health.

We will be opening our NHS books to all children on the Island, this is anyone under the age of 18 or 18 years of age and in full time education

To book an appointment with us please go to <https://damiradental.co.uk/practice/east-cowes-isle-of-wight> and click on the 'book an appointment' tab.

We look forward to seeing you in practice soon.

Many thanks

A Message from Public Health

Dear parent/guardian

I am writing to you about the importance of staying well this winter for children and young people. While children and young people have been able to go to school during most of the pandemic, this is the first winter in two years with no restrictions. No restrictions means bigger events and time together this winter, especially at Christmas. A lot of mixing will be inside, which increases the chance of infection spreading.

Winter illnesses such as flu and respiratory viruses in children and adults are increasing. They are returning to pre-pandemic levels. Younger children, especially those starting school for the first time, have not been exposed to many infections. They will have less natural immunity.

Vaccinations

Vaccinations are our best defence against severe illness and infections. A full list of the vaccines on offer is on [this NHS website](#). You can check if your child is up to date by contacting your GP or checking their red book.

Routine childhood vaccination uptake has been negatively changed by the pandemic. We need it to go up to provide the community with strong enough protection to prevent infectious disease incidents and outbreaks.

Incidents and outbreaks can impact school attendance and learning. Stopping further disruption to children's lives, who have already missed time at school due to the pandemic, is vital.

The flu vaccine

The seasonal flu vaccination is currently offered to all children aged 2 to 11 years and some secondary school children. There are also many adults eligible for a free flu vaccination.

You can get information about the flu vaccination for children on [this NHS website](#).

The COVID-19 vaccination

The COVID-19 vaccination allowed the safe removal of pandemic restrictions. It remains key to living with the virus in the future. The COVID-19 vaccine for children is still available (many adults are eligible for the Autumn booster).

You can get information about the COVID-19 vaccination for children on [this NHS website](#).

You can also call and talk to someone about the vaccination. The Hampshire and Isle of Wight COVID-19 helpline 0300 561 0018 is open between 9am to 5pm Monday to Friday and 9am to 1pm at weekends. Please find below links to some other useful information:

Childhood Illnesses

The [Healthier Together](#) website is a good place for advice about lots of children's health and well-being concerns. Advice about specific infections and school attendance is on this website: [Is-my-child-too-ill-for-school?](#) This [blog](#) is for the health of children under 5 years old but includes useful information for all children.

Stay up to date

The [Isle of Wight Council Facebook page](#) posts regular information about vaccinations. It also shares general information and support for Islanders.

[Get COVID-19 information on the Council's website](#).

[Sign up to receive an e-newsletter](#) from the Council with local information including support with the cost of living.

Sports Reports

Year 6 boys

On Friday, the Year 6 boys took on Hunnyhill in the quarter finals of the cup. The game began and the boys started well, producing some great football. Link up play between Ollie B and Leo W, progressed the team up the pitch well. Through a deflected corner kick, the boys took the lead and that was the end of the first half. The second half kicked off and it was Hunnyhill who began to dominate. The team defended well, however Hunnyhill managed to pinch a goal just before the final whistle, meaning the boys had to face a penalty shootout. Three penalties were taken from both sides, but the score remained level leading to sudden death. Fortunately for Queensgate, it was Zak T who broke the deadlock resulting in a Queensgate win. Also well done to Oliver P, who's fantastic penalty saves kept us in the game until the very end.

Year 4 boys

On Wednesday, the Year 4 boys travelled to Ryde for their third league match this season. The game began and the boys were slow to get going so were two goals behind in quick succession. Despite going 2-0 down and being drenched by the awful weather, the boys battled back well to bring the scores level by half time. At half time, we spoke as a team about how our passing had been poor at

the start of the match and how we needed better passes to move up the pitch quicker. The boys had kick off to start the second half. From this they made four great passes to begin an attack and with a sharp finish from Johnny W, the score was now 3-2 to Queensgate. A fantastic team goal! The boys had an amazing second half with some quality defending from Elvis S and some great dribbling from Denys Y, they went on to win the game 4-2. Well done boys!

Hello, is it you we're looking for?

Becoming a new parent can be a challenge and at Home-Start we know the value of supporting parents as early as possible. We are looking for, Bumps & Babies home visiting volunteers in your area?

How much time do I need to give? Most home visitors give a couple of hours each week.

Where would it be? At the family home

What does it involve? The role is varied as every family is different. A Home-Start volunteer is a helping hand and a listening ear. Your time with the family could include:

- Talking and listening
- Helping parents feel more prepared for parenthood
- Practical help & emotional support before baby comes along
- Supporting parents to feel more confident
- Practical help & emotional support after baby is born
- Supporting parents to get out and about
- Cuddling a baby!

Do I need any special skills or experience? Non-judgemental with an understanding of the challenges of family life, kind and compassionate, great organisational skills, practical, enthusiastic. Most volunteers have parenting or caring experience, for everything else, full training is provided. Training is a combination of online and face to face sessions. All volunteers receive regular support from a named co-ordinator.

All home visiting volunteers are subject to an enhanced DBS check and references are required.

For more information or an application form please email admin@homestartiof.org call 01983 533357, or visit our website www.homestartisleofwight.org.uk

We look forward to hearing from you

Hello, is it you we're looking for?

Family life can be a challenge. Home-Start runs Family Group sessions for parents and their young children. Could you volunteer in a group and help make their time together special?

How much time do I need to give? Group sessions are 2 hours each week during term time.

Where would it be? Groups take place in Newport, Ryde, East Cowes & Shanklin

What does it involve? A Home-Start Family Group volunteer is a helping hand and a listening ear. Working alongside the Family Group staff you will:

- Provide a warm welcome to parents & children
- Support children to enjoy the fun activities on offer
- Help with setting up and packing away
- Offer a listening ear to parents who need time to talk
- Give practical help to parents with more than one child to give them the opportunity to spend 1:1 time with each of their children

Do I need any special skills or experience? Non-judgemental with an understanding of the challenges of family life, kind and compassionate, practical, enthusiastic, creative, an understanding of child development would be an advantage and most importantly a willingness to join in with the singing! Most volunteers have parenting or caring experience, for everything else, full training is provided.
