Friday 28th February 2025

Dear Families,

Thank you to everyone who attended parents' evening before the half term break, it was a great opportunity to discuss the progress of your child and look at his or her next steps for learning.

Below is some information for you about this half term.

Our curriculum map for this term's learning is now on our website for you to read.

Our theme up until the Easter break is Amazing Animals. Our trip to Amazon World on Monday 3rd March will be a great way to peak your child's interest and get them enthused for our variety of learning projects themed around animals. Our main focus this half term is Science and Art together with the reading, writing and maths as always.

Our PE day is timetabled for Tuesdays and Wednesdays. Please make sure your child is wearing full PE kit on these days. We also ask that your child has a spill-proof and named water bottle at school every day.

Book bags need to be in school every day, but please hand any notes to the office or class staff as bags will not be checked daily.

Please continue to listen to your child read at home and note this reading in the comments book. Our maths homework 'challenge' books will need to be handed in each Wednesday please.

For PPA cover Year 1 children either be doing Cookery, Design & Technology, Music or Library. Your child will need to bring in a food container when they are cooking during a PPA session

Thank you for your continued support.

Yours sincerely,

Mrs Edmonds, Miss Stone, Miss Crockford and the year 1 team.
